Be careful and don't put your flowers outdoors too early. The frost might nip them, and if all reports are true there are many other people besides Jack Frost ready to nip them.

How can people circulate such senseless and unfelicitous rumors? It was reported yesterday that another Belleville man had been seriously wounded in the fight at Israel's Door—some even had it that he was killed. Some parties affirmed that the family of the soldier in question had received a cablegram announcing his decease. There was not a particle of truth in the report. (Times, O. news.)

An English Journal recently wondered whether the pronunciation of some of the ignorant classes or of some of the cultivated classes is the worse.

For instance, the groom says: "Arry, 'old my 'low."

And the curate says: "He that hath yaws to law, let him yaw."

And the doctor's wife says: "Jawge, please go to Awtham and swidh the larvae, and don't forget to look at the fish."

And the vicar says: "If I owa graceful sovering lid wursh to die!"

A hurried writer ran the other day across Piccadilly circus, and halted to contemplate the newspaper contacts bills. "Frost and Snow," was the legend. Oh! [a] la! "We arrive!" he exclaimed. "Zee English are again in hot water!"

In a chapel in London one Sunday a preacher declared that the British soldiers were fighting for Satan. Thereupon a sick old man rose in his place and exclaimed: "I have two sons fighting for the Queen in South Africa; I am not going to stay here and be told she is the devil!" And while the preacher stood open-mouthed in the pulpit the old man strode out of the building.

The subscription list for the Ottawa fire sufferers is still open.

Remember there are 15,000 people homeless; the large majority of whom are poor laboring men, with wives and children depending on them.

Small sums are acceptable; 25 cents will buy two and a half loaves of bread. He gives twice who gives quickly.

They say the disaster at Koon Spruit was Lord Roberts' fault. Come now, Boba, acknowledge the Koon.

Private Byles is a barber. It is to be hoped that all the notoriety he is getting will not make him stuck-up. If it does he may cut all his friends when he gets back.

The Peterson Examiner says the Montreal Witness is "a strictly independent journal. Wouldn't that jar you?"

Ald. Sinclair is quite right in keeping the dogs off the Park. The only bark we need on the island is that which grows on the trees.

Isn't it astonishing what some men can do with figures? And the less they know about them themselves the harder it is for others to understand them.

Next Friday is Arbor day. Every good little boy or girl should plant something in the shape of a tree to help beautify the country in years to come. Any kind will do except a chestnut—there are enough of them going the rounds already.

The Sultan hasn't paid up yet; he bears a striking resemblance to many people who sign themselves "Old Subscriber."

The Skating Rink is getting a coat of paint, which is making an improvement in its appearance.

Kingston Whig: "The leading man in 'Faust' spoke very irreverently of Victoria theatre during the play last evening. He said the company expected to play in a theatre, but instead they found it was a barn. Such a place was a disgrace to the city; a town of 1,000 inhabitants should afford a better theatre." Poor old Kingston. To have mud thrown at 'em by a company which has been barn-storming in all the country (towns) is hard indeed. If Kingston people will be good and try and be themselves we can sit in our nice opera house, and the travelling companies always praise.

Here is Col. Otter's official report of the chicken business: "I regret having to report the sentence by the P. C. C. M. on the 14th March, to 56 days' field imprisonment, No. 2, awarded for stealing a fowl, the property of an inhabitant. The orders on the subject of looting were most stringent and definite, and while no doubt the provocation was great considering the lack of food for the previous three weeks, yet owing to the constant warnings the men had received, the offence cannot, from a military point of view, be palliated."

The Ottawa Citizen puts the case tersely, when it says: "The number of those who can give their hundreds of dollars to the relief fund

is necessarily limited, and we shall very quickly know how much it is to be received from this source. But there is a vast constituency in Canada of those who can give their dollar or half or quarter dollar or dime. To those we appeal for help. It may be a distinct act of self-denial to many to give ten or twenty cents, but that sacrifice should not remain unoffered because the amount is not so large as that contributed by others. It may, like the widow's mite, be more worthy of commendation."

On dit that a young lady, formerly very popular in Belleville, now a resident of the States, will shortly be married and will take the Paris Express in her wedding tour.

The young son of the Governor-General met a lad of his own age in Ottawa who had no boots or stockings, he being a fire sufferer, so the spring of nobility sat down and took off his feet covering and gave them to the other fellow, making his way to his father's carriage in his bare feet. A pretty story, and true.

Kingston Times: "A demented man was roaming about the Portland road yesterday. He imagined that he was full of pitch and tar, and was afraid someone might touch a match to him." That is not a very good testimonial for Kingston liquor.

The Queen was very angry when the Spion Kop despatches were published. The old lady is evidently able to advise her advisers.

Ald. Chown says he did not vote for that clause in the Police Commissioners' report which recommended the discharge of Mr. Rutledge. We regret the mistake, but the Aldermen's hands were up and down so quick that it was not possible to make sure. Somebody else voted for it and Ald. Chown didn't vote at all, that's the way it stands. There were six for it and none against it.

It must be rather galling to our American cousins to find that they, they say, expecting to create a secession, put down as a "campaign utterance." The Germans have got on to them now.

The blue-jackets of the Powerful were presented to the Queen to-day, and Her Majesty thanked them for what they had done for her. Lady Smith, Capt. Lambton replied that what they had done was nothing to do for her. Jack's lad to say the right thing in the right place.

Corticelli Skirt Protector is all wool and the wool is selected for its elasticity, fineness and softness. It has a porous, elastic weave. It will not chafe the finest shoes. It is better than any other Skirt Protector because there is no cotton in it. Any "binding" with cotton in it will shrink and pucker the skirt. When the pile wears off it will wear the gloss off your shoes. Corticelli Protector will outwear the skirt. Sewed on flat, not turned over. The genuine is labelled.

RHEUMATIC! YOUR ENEMIES ARE THE WALL

When the Wall between Suffering and Health Seems Impregnable, South American Rheumatic Cure Comes to the Sufferers Relief--"Shells" the Stronghold of Disease.

Drives out the Hostile Forces--Breaks the Shackles of Rheumatism's Prisoner and Guarantees Him Perpetual Liberty

This Great Remedy is Invincible--Gives Relief in a Few Hours and a Cure from One to Three

The tortures that disease can inflict on man, perhaps there are none more agonizing than Rheumatism and its kindred ailments, such as Gout, Lumbago, Neuralgia, and Sciatica--and these are no spectators of persons--they attack the old and the young alike.

The active, irritating cause of Rheumatism in all its phases is Uric Acid, a poison that collects in the blood. It is the waste or effete matters of the system, which, from various causes, are not carried away through the natural channels; the joints and muscles become affected; they swell, stiffen and inflame; and the pain and torture of it none can describe, but those who have passed through the ordeals of suffering that Rheumatism entails.

In its more acute and inflammatory form it oft-times attacks vital parts, such as the heart, and on the evidence of expert testimony it is believed that many cases of sudden death that are to-day diagnosed as heart failure have really been caused by Rheumatism of the heart, and it behoves rheumatism sufferers not to dally with so powerful and relentless a foe. It is a relentless disease, but no common that in many cases the suffering is lessened unheeded when the patient may be within a step of death.

South American Rheumatic Cure is no respecter of cases. It is a never-failing specific--panacea for rheumatic sufferers--it cures quickly and safely, and it drives out the foreign and irritating matter; it stirs it into the channels of circulation, and it gives its healing power, and as if by magic poison disappear, joints are restored to the normal, natural size, stiffness of the muscles makes way to suppleness, and where was a few hours or days ago, most all suffering and torture is the calm of peace that ensues after the great struggle. South American Rheumatic Cure has a thousand times made the unwarlike sufferer as content that "the days of miracles are past."

The most obstinate, elaborate, acute, and chronic form of Rheumatism have been absolutely cured in from one to three days. The remedy is simple and harmless, and it leaves no bad after-effects. Here's the testimony of one who ought to know his real worth.

Mrs. E. Kaiser, a professional nurse, 25 Cornwallis street, Halifax, N. S., says: "For six years I was a greatly sufferer from rheumatism, and while in my profession I met and consulted many prominent physicians as to my cure; none of them gave me any treatment that was permanent. I had many remedies which claimed to be the best, but none of them did me any good. I was almost in despair when I obtained this relief which came to a patient of mine in using South American Rheumatic Cure. I was determined to try it on myself, and I procured it here and now a great remedy, the only thing that I ever took that did me any rheumatism any more, and I feel good." When I had completed taking the second bottle I was free from all pain, and although there is no return of my four years' pain, I have not had the slightest return of it. I do strongly recommend it."

South American Kidney Cure is a powerful remedy--it cures permanently and quickly all bladder and kidney troubles.

South American Nervine is a health builder--it acts directly on the nervous system, and gives the nervous system strength and vigor.

For the benefit of all readers of this article we recommend the persistent use of Dr. Chase's Nerve Tonic, as well as the few minutes which it takes to rebuild the exhausted nervous system from the cause of the disease, the distance of the nerves.

Chase, who has cured it in thousands of cases of locomotor ataxia, multiple sclerosis, neuritis, and other diseases of the nervous system, such as those mentioned, each of which he cures in

the greatest restorative which nature provides for (a) the weak, nervous man, woman and children. (b) Dr. Chase's Nerve Food, 50 cents a box, at all dealers or Edmanston, Bates & Co., Toronto.

POST MASTERSHIP—GRIT GRIED!

The Dominion elections are near at hand, and as there are a few left of the hungry office-hunters who have not yet been removed from the scene, it is not surprising that an indignant electorate may turn out of power the present incumbents, except for harm; the positions of faithful officers are reluctantly attacked and brought against them. The Yankee system of turning out officials against whom no fault has been or can be found, to make room for electioneers and ballot-box manipulators has not been carried far enough to suit the Grits of this country, hence we hear of petitions being circulated and signed by the faithful, demanding that the gentleman now acting as Post Master in Belleville shall receive his come, to make room for one who has never filled to perform his part of the petty work necessary to secure a Grit triumph.

This, however, is but a renewal of the schemers' tactics, when they succeeded in inducing the Post Master-General to cut off the head of the last Post Master. At that time a demand was made to dismiss Mr. Taylor, on the ground of his being a Tory; but as no charge of offensive partiality could be brought against him, the Post Master-General refused to act as desired by the leaders of the misceled Reform Association of Belleville.

The threat for vengeance must be appeased, hence the tactics were changed, and economy was invoked to accomplish their nefarious object, in the hope that the party lost power, they might succeed in forcing another of their manipulators at the public crib.

The last touch, Belleville was removed from her standing as a city, and degraded to that of a town post office; by which means the Post Master was got rid of, but no new postmaster was appointed. The duties being performed by the Deputy at an increased salary. This course was defended on the ground that as a city office it was costing the country too much, though there were a number of other cities not creditable to the revenue as the city of Belleville, which were not so represented in Parliament. That however, was of little avail, when a party object to be attained, so the Post Master-General, on the demand of new hungry hounds, dismissed the Post Master, placed a number of young men and women upon the Superintention list, making them remain on the public chest for a year, and dismissed two of the most experienced clerks and appointed two inexperienced persons to fill their places at the same salary that the old clerks were willing and anxious to accept, and to fill the position made vacant on the partial support of a widowed mother. On thing, however, the Post Master-General, to his credit, did, he refused to appoint anyone to fill the position made vacant on the ground of economy. This the Belleville at the time reluctantly accepted, as it was acknowledged to a certain extent their party demands that a Conservative office should suffice.

At the time it was believed that it would not be long ere the wrath

of the people would be made from the ranks of the faithful, hence we saw petitions handed out the city pleading for the sake of the party for signatures, 1903, 1904, 1905, 1906, 1907, 1908, 1909, That's the Unanimous Verdict on
Yesterday's Celebration.

The Procession Was the Best Seen for Many a Long Year. The Decorations Were Tasty and Unique. The Attractions at the Agricultural Park Were Enormously Satisfactory to a Large Crowd, and the Fireworks Were a Fitting Climax to a Celebration Worthy of the 51st Birthday of Victoria the Good.

Yesterday was one of the "brightest" days Belleville has ever seen, and you can take that in any sense you like, for leaving all the pollution out of the question the mercury climbed up in the thermometer higher than it has been before the year.

It was an ideal day, and if one said it was an ideal celebration he wouldn't be far wrong. It was not only the public celebration which was a success. Perhaps the best way to judge it is to see the private side of it.

Rejoice at the Death of Canadians in South Africa.

Letter from the Duke of Argyll, Honorary Colonel Argyll Light Infantry, to the Duke of Devonshire, May 9 1900.

My Dear Colonel Ponton.—On the part of the Princess and myself, I thank you and the officers and other members of the 15th Regiment for the beautiful sympathy which has suggested the despatch of your expression of condolence in the loss of my father.

He always looked to me with the greatest pleasure to a visit he paid to Canada during my term of office, and he was heartily with the people, and of late resided at the glorious way in which he was applied in South Africa for the cause of Union and Freedom. I remain, dear Colonel, very truly, Yours very truly, "JOHN".

London, May 28.—Advice received
here asserts that supplies continue to

Boer army proceed from the same
point.

here that Gen. French has entered
Johannesburg.

MR. TELFER WRITES

In Connection With Certain Points re-
the Late Celebration.

To the Editor of the Intelligence:

Dear Sir—Would you allow me to ex-
press my thanks to the publishers of the
Intelligence for the very interesting
and valuable article which appeared
in your issue of the 24th inst. re-
garding the late celebration of the
centenary of the arrival of the first
settlers in the city of Kingston.

I am sure it must have been
very interesting to the community, in
which were men of great ability, who
would not overlook such an important

I must certainly say it was an im-

who were paying their money so
to carry out the day in celebrating
our great Queen's Birthday.

I also understood that this celebra-

Members of S. O. E. B. S.
March to Church.

An Able and Instructive Discourse De-
livered by Rev. A. L. Green,
Past Grand Chaplain of the
Order—a Large Con-
gregation Present.

A large number of the members of
Oxford and Lyford Lodges, Sons of
England, yesterday morning at-
tended divine service at Christ Church,
Rev. A. L. Green preached and his dis-
course was full of patriotic sentiment.
The parade was formed at Oxford
Lodge room, and headed by the
I.O.O.F. band, proceeded down Front
St. to Bridge St., and up Coleman St.
to the place of worship. There was
a good congregation of men, women
and children present. Rev. C. J. H.
Hutton, rector, and Rev. A. L. Green,
past grand chaplain of the order, were
for his text—

1 Corinthians xiv. 8, and 1 Sam-
uel x. 22: "If the trumpet give an
uncertain sound, who shall pre-
pare himself to the battle?"

"And Samuel said to all the peo-
ple, See ye him whom the Lord hath
chosen, for there is none like him
among all the people, and all the
people shouted 'God save the King.'"

It is difficult not to believe that St.
Paul had within him the soul of a
true soldier. No one can read his
writings or speeches without seeing
that he was a brave and resolute
man. The apostle was a man of
journeys, and he was a man of
war. He was a man of war, and he
was a man of war. He was a man

NOT HEAD OF DISCONTENTS.

Sir Charles Tupper Denies Mr. Smalley's Assertions.

Opposition Leader Protests at the Kind of an Answer That Was Sent to the London Times About His Attitude Regarding the Contingents—How the Farmers Are Halted for Bigger Twine.

Ottawa, May 30.—When the House opened yesterday afternoon Sir Charles Tupper took exception to correspondence in the London Times, in which he stated that he (Sir Charles) was the multiplicity of the Canadian content in sending the contingents. Nothing was further from the truth, indeed, the discount was exhibited by Messrs. Tarte, Bourassa and Moore, three Liberals, one of them a Minister of the Crown.

Sir Wilfrid Laurier said that he was at a loss to discover Sir Charles Tupper's motive in bringing up this matter, unless it was to prevent public opinion from dwelling too severely on certain discontents said to exist in the Conservative party. He hinted that perhaps Mr. Smalley had furnished his opinions by reading Sir Charles' speeches at Quebec and Montreal.

He closed by accusing Sir Charles of winking.

Sir Charles Tupper made a vigorous reply, reminding the House that the Premier had not taken the strong stand which he (the speaker) was now taking regarding purity of elections. The incident then closed.

How the Farmer Is Halted.

The next matter was binder twine. Mr. Taylor said there were numerous broken judges to the credit of the Government in this connection, and he held that the blue book issued under the hand and seal of Hon. David Mills was a fulsome defence of the Government's action in respect to the manufacture and sale of binder twine produced by convict labor. The fact was that the Government did not do business on business principles. A coming, aided and abetted by the Government, for the control of the binder twine to the disadvantage of the farmers, was the charge made by Mr. Taylor in his speech. Mr. Taylor insisted that the selling of the Government binder twine to Bate & Sons, Ottawa, was in the nature of a favor extended by the Government for a favor received. The favor received was in connection with Sir Wilfrid Laurier's purchase of a house. Sir Wilfrid has said in a House that he had paid \$5,000 down and had given a mortgage for the balance of the purchase money, \$4,500. Mr. Taylor read an abstract from the registry office, in which it was stated that the purchase price had been \$9,500. The mortgage was for \$5,500 and had been paid off by H. M. Bate, Robert MacKay and F. C. Edwards. Sir Wilfrid had told a falsehood of a \$1,000. The obligation of Mr. Taylor to the Prime Minister had given to H. M. Bate & Sons, in order to get a favor in return, Mr. Taylor read a beautiful piece of verse, showing that in 1894-5 the farmers got the twine at 45c. The cost of production was also, but the farmers' price from 12c to 15c a pound for it. In 1897 the fibre cost 35c a pound, the twine was sold to Bate & Sons for 45c, and then to the farmers at 10c a pound. In 1899 and in 1900 the twine that cost the Government 6c to make, cost the farmers from 12c to 14c a pound. In conclusion, he moved:

CURE RICH HEADACHE

RESTORED
TO HEALTH.

One of the best known men in

East Durham county is Steven

O. Taylor, Charlotte, Ontario.

His sufferings from

rheumatism in the back

(lumbo) for

four years were

known to every-

body in the

county. It was

the greatest

and only with agonizing pain that

he sat down upon

from a chair, and walking was

simply torture; neither the skill of

physicians, nor the enormous

quantities of patent medicines he

took, gave him any relief until he

tried Dr. Hall's Rheumatic Cure.

After taking the first few doses of

this wonderful medicine he obtained

relief, and continuing the

treatment, a complete cure was

effected. He has not been troubled

with an ache or pain since and

speaks in praiseworthy terms of

the medicine which restored him to

health—Dr. Hall's Rheumatic

Cure.

Dr. Hall's Rheumatic Cure is put in 25

and 50 cent capsules. It is a purely

vegetarian medicine, and is sold by

all druggists and dealers in medicine. See Dr. Hall's Medicine Co. Catalogue.

Patterson, for 14 years pastor of

Cook's Presbyterian Church, left the

Earl of Rosslyn Sent News of the
Surrender of Pretoria.

Earl of Rosslyn's Message Was Received

Daily Mail publishes the following de-

from Lord Roberts, dated May 29, at
Germinet, May 29, 1900. In answer to
a flag of truce from Johannesburg

there were many armed Boers there
still. I found that, as I
was not armed, I was not allowed to
enter the town. I was told that the
Boers were still holding the hills in
the immediate neighborhood, and
that they had not yet been cleared off
beforehand.
